

Abstract Template for USD9

First Author¹, Second Author²

¹Nano Characterization Unit, National Institute for Materials Science, Japan

²Department of Chemistry, Graduate School of Science, Osaka University, Japan

e-mail: usd9@chem.sci.osaka-u.ac.jp

The margin is 35mm for the top, and 30mm for the bottom and the sides. Font used in this template is Times New Roman. Title of the abstract should be in bold 18 pt, followed by the author names in bold 12 pt and their affiliations/e-mail in italic 12 pt. The name of the presenter should be underlined. The main text is in 12 pt.

For submission, send this abstract **in pdf format**, with the file name including the presenter's name (e.g. "Munakata.pdf") via e-mail to usd9@chem.sci.osaka-u.ac.jp. In the subject line please include the family name of the presenter (e.g. SUBJECT: USD9-Munakata). The main text of your e-mail should include following information.

1. Full name of the presenter.
2. Institution and postal address.
3. e-mail address.
4. Title of the presentation.
5. Presentation type: invited, oral, poster or no preference. "Invited" can be chosen only by the confirmed invited speakers.
6. If you wish a registration fee waiver, please specify that you apply the waiver as a student or a postdoc.

Submission deadline, February, 27, 2015. Notification of acceptance, March 20, 2015.
